

First Hour 12:35-1:30

Arts & Crafts

Grade K-3

Janice Krieger

In this class you will learn what an artist is and that everyone can be an artist. We will briefly go into a few famous artists and show that art is more than just a picture on a wall. The children will have instant confidence and learn personal expression from the arts and crafts projects they create. Students will use different mediums and many of the projects will consist of recycled materials and things from nature.

Draw Write Now

Grades K-3

Kristi Kreifels

Using the series "Draw Write Now" we will be drawing pictures of animals and holiday/seasonal scenes.

Board Games

Grades K-8

Cheryl Brown

Students will have a chance to play all kinds of games from chess to dominos with their friends for a good old-fashioned hour of fun.

Snowmen/Winter Literature & Crafts

Grades 1-3

Kelly Gaines

Each child will create a 3 foot snowman out of wood. He will be complete with a polar fleece hat and scarf. Other crafts include a doorstep, snowflakes and more. There is a \$10.00 supply fee due the first day of class.

Polar Fleece Crafts

Grades 2-8

Becky Ryan

Students will sew using polar fleece to crate pillows, scarves, and other fun crafts to keep or give as gifts.

Drama Club

Grade 4-8

Melissa Moser

For this club, not only do we have fun, but we learn how to perform as well. You are welcome to come whether you have been in this club before or not. This is the place where we work on performance skills through theatre games, creative movement, and scripts.

Corking

Grades 4-8

Katha Miller-Winder

Corking is a centuries old handcraft using string or yarn. Also called spool knitting and knit around, this fun and relaxing craft is often easier to master than knitting. We will be making hats which students may keep or may choose to donate to a homeless program.

Jewelry & Wirework

Grades 4-8

Lisa Caldwell

In this club we will create necklaces, earrings, and bracelets along with the chance to experiment with wire to make hanging lanterns, beaded flatware, and other unique creations. There is a \$10.00 supply fee due the first day of class.

Second Hour 1:35-2:30

Dig Those Dogs

Grades K-3

Katha Miller-Winder

In this club students will meet a variety of working dogs in person, learn the important rules of safety around dogs, find out about training dogs, see a Lassie video, and have fun. Parents are welcome to attend any club meeting.

Learning Centers

Grades K-3

Kristi Kreifels

During this time, I will have many centers set up for K – 3 students. This is a great choice for students who need some quiet free choice time at the end of the day. Each week students may choose from play dough, Legos, math manipulatives, puzzles, drawing, books, and more....

Puppets

Grades 1-3

Melissa Moser

Come explore the world of puppet making! This quarter, we will learn how to transform seemingly ordinary objects into characters that walk, talk, and dance. We will also be learning what to do to make your puppet come alive!

Knit Crafts

Grades 2-8

Becky Ryan

Students will knit quick and easy projects to have completed crafts such as purses, toys, and ornaments, to enjoy themselves or use as gifts for the holidays. Please bring size 9 or 10 needles. Yarn will be provided. Prerequisite: students must be able to cast-on and knit in basic stockinette.

Lego

Grades 4-8

Kelly Gaines

The students will learn facts and history regarding Legos. Each club day will consist of background information (facts), creation time (topic related), technical writing, and sharing time..

Book Making

Grades 4-8

Lisa Caldwell

In this club we will create a new type of blank book each week. The books can later be used for journals, scrapbooks or keepsakes.

Kid's Fitness

Grades 4-8

Connie Lander

This class discusses fundamentals of fitness and provides fun activities to encourage exercise and good health.
